PROJECT PROPOSAL

Group Members:

UMAIR AZAD (19P-0030)

MUHAMMAD AFFAN KHAN (19P-0045)

SECTION : 3B

**Fast National University of Computer and Emerging
Sciences, Peshawar**

Department of Computer Science

Project Name:

Digital Clock

Description:

We will make a digital clock using 16-bit Concepts. The output will print hours, minutes and seconds on console as digital clock works.
